Dear Mike:

I would like to give my retort to your communication dated 2/27/92. Following is my all-time Cincinnati Reds Club:

Pitcher	- Jim (De) Merritt - got you to the dance in '71 then authored his rendition of Tora Tora in the playoffs
1st Base	- Todd (Bet the Bank on Him) Bensinger - Never got into a bar without being proofed
2nd Base	- O.K.-I'm partial to Morgan - not only was he damn good, he was under 5' 7"
Short Stop	- Pete Rose - Pete played every position so he could error at them all to fix games
3rd Base	- Brooks! 1971. . .That's All (a saying found on Wilson's rock gut whiskey bottle - perfected by Brooks!)
Center Field	- Eric Davis - most days on the disabled list next to Pete Rose's brain
Left Field	- Ken Griffey - Just for his genes
Right Field	- Dibble - He's out there already
Catcher	- Ernie Lombardi - longest home run ever - ole bar room trivia
Best Fan	- Sorry Mike - Schottzie the Dog

Thank you in advance for you contributions!
